DEPARTMENT OF BIOTECHNOLOGY

Kurnool,
25.02.2020

From,
Mrs.L.M. Vinathi Priyadarshini,
HOD, Department of Biotechnology,
St. Joseph's Degree College,
Sunkesula Road, Kurnool-4.

To,
DR.C.V. Sathyanarayana,
IQAC Co-Ordinator,
St. Joseph's Degree College,
Sunkesula Road, Kurnool-4.

Sir,

Sub: Request to accord permission to conduct an Industrial visit.

The Department of Biotechnology has decided to visit Sericulture Unit, Atmakur, Kurnool Dist. to conduct an Industrial Tour, as a part of incurring practical education to the students about the industrial procedures and its facilities.

In connection with this, we request you to grant permission to allow us to conduct the visit. The visiting team composed of 85 students (III BBC, III MBC Biotechnology) and 4 faculties, proposed visiting date: 03, March,2020 from 9AM to 4PM.

I request you to kindly consider our proposal and process our letter of intent.

Yours sincerely,

Mrs.L.M. Vinathi Priyadarshini,
HOD, Dept. of Biotechnology,

DEPARTMENT OF BIOTECHNOLOGY

“Industrial Visit to Sericulture Unit”

Introduction:

Department organized an Industrial tour to a sericulture unit at Atmakur, Kurnool district as a part of outreach program in the academic activities.

Synopsis of the Event:

The Department of Biotechnology visited Sericulture Unit, Atmakur, Kurnool Dist. to conduct an Industrial Tour, as a part of incurring practical education to the students about the industrial procedures and its facilities. The tour was very successful and the students had a good exposure on how the silk is produced industrially, its units processing, extraction and marketing. Visit encouraged them towards establishing an industry in biosciences which has good demand. 85 Students visited the unit. This visit motivated the students toward entrepreneurship.

Objectives of the Program:

1. To inculcate scientific, industrial and research mindedness among the students.
2. To make students understand the aspects of various tasks at industrial level.
3. To facilitate the students towards innovation and process required at industrial area.
4. To enhance employability and networking opportunities at industrial level.

Outcome of the Program:

1. Students had an opportunity to learn practically through interaction, working methods and employment practices industrially.
2. Students acquired much relevant practical perspective of actual work place at industries.
3. Scientific temper needed for the students got established.

Attendance of the Participants:

85 students in visited the sericulture unit at Atmakur.
