Brief Report on Orphanage Visit:

As a part of department extension activity, done by Biotechnology department students and Staff, the team visited Sunrising Youth Organisation Orphanage & Old Age Home at Budhwarapeta, Kurnool on 14th November, 2022. The team members carried pens, pencils, crayons, balloons etc to make them carry out some fun activities and engage them. Cakes, chocolates and fresh badam milk was provided to them. The gifts were given to the kids of the orphanage. The goodbyes were hard and left the orphanage with a mixture of good feelings and sad emotions. The visit encouraged us to do more for the needy and help them. It was an unforgettable trip.
