K. Vanitha Kumari

Head of the Botany Department

GIST ON PPT PRESENTATION

Inter college students exchange programme was held at Govt. Degree College for Men, Kurnool . The programme started by calling up dignitaries on to the dias. They started with an introduction speech by Dr. S. Madhusudhan, Head of Department of Botany gave valuable messages and encouraged students for their future.

The programme started by delivering PPT'S by our students, five of our students came up with PPT'S on different topics and presented in a considerable way.

1. N.Meghana – III BZC gave PPT on Applications of plant tissue culture.
2. E. Sai Charitha – III BBC gave PPT on GIS.
3. Harshini – II BBC gave PPT on Protein synthesis.
4. Shivani – II BBC gave PPT on Light emitting plants.
5. Bhavani purna Chandrika gave PPT on Plants and insects interaction.

The programme was followed by interactive session with the students of Govt. Degree College for Men. This programme made the students to gain scientific knowledge and they are enlightened by the presentations.

GIST ON QUIZ COMPETITION

Quiz competition was organised by III BSC Students of Govt. Degree College for Men. A quiz contest was organised for students of St. Joseph's Degree College and GDC Men college in connection with student exchange programme between two colleges on 26.2.2020.

Quiz has three rounds, 1st round is picture round followed by taxonomy round and finally buzzer round. Each team comprises of six students, three from each college Team A and Team B. Team B won the prize and prizes were distributed by the principal Govt. Degree College for Men.

Prize winners of Team B : Lekha sree – III BBC

Shivani – II BBC

Bhavani – II BZC

OBJECTIVES

- The primary objective of MOU is to create a means for co operative efforts between both colleges for academic purpose
- To benefit the students of both instututions by facilitating student exchange program
- To facilitate the development of collaborative and mutually beneficial program for educational development of both colleges

OUTCOMES

- Exchange program help students to propose and to work with others .
Exchanges create future leaders who appreciate the value of collaboration understanding end empathy.
- Arrangement of co operation on new or existing academic program.
