Seminar

Seminar is a group discussion organized and led by staff to enable attendees to improve their knowledge and understand the topic by engaging with key issues.

Computer Science Department organized a seminar on “Research and Publications” in order to enhance faculty ability in the field of research and publications. Dr. Mohammad Riyaz Belgaum, Associate Professor, Computer Science & Engineering, G.Pullaiah College of Engineering & Technology, KNL, was the right person to do so. The main objective of the seminar is to improve the knowledge to choose an appropriate topic and know the ways to public the article in a selective publication.

Date of seminar: 18th Jan 2024.

Time: 2pm – 6 pm.

Place: Lab 1, Building 2, St. Joseph's Degree College.

Topic of seminar: Research and Publications.

Resource person: Dr. Mohammad Riyaz Belgaum.

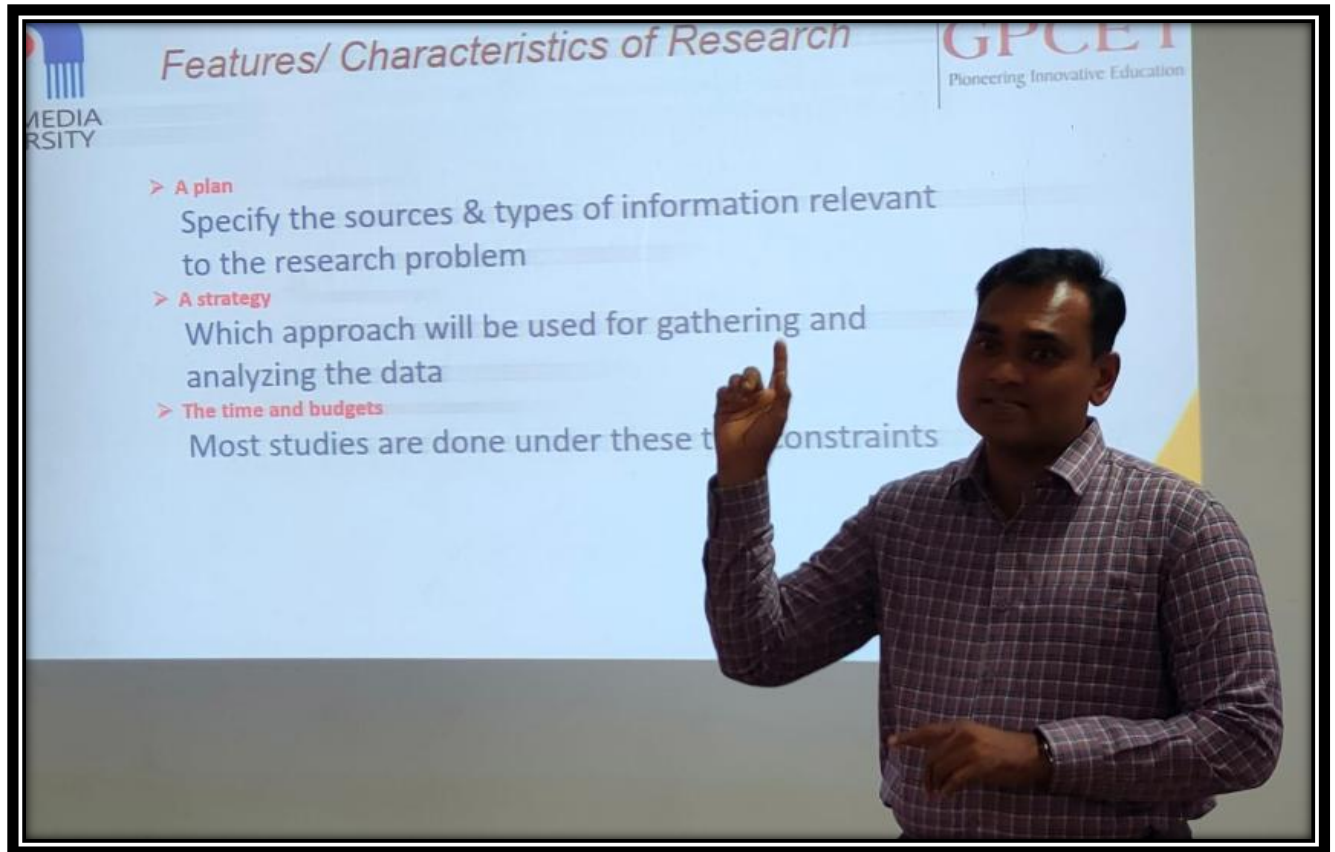

Designation: Associate Professor, Computer Science & Engineering,
G.Pullaiah College of Engineering & Technology, KNL

Outcomes of the seminar:

- To inculcate research integrity.
- To discuss publication ethics.
- To educate on how to identify research misconduct and predatory publications.
- To discuss indexing and citation DB.
- To provide information on open access publications.
