

Report on Participation in the Training Programme on Artificial Intelligence exclusively for Faculty of Computer Sciences

GIST

Successfully participated in the five-day Training Programme on Artificial Intelligence conducted from 23.03.2026 to 27.03.2026 at the Executive Education Cell, School of Management Studies, University of Hyderabad, organized by A.P. State Council of Higher Education (QAC-APSCHE). The programme provided comprehensive theoretical and practical exposure to Artificial Intelligence, including AI tools, machine learning concepts, generative AI applications, and classroom integration techniques. The training was highly informative and beneficial for academic and professional development. Excellent accommodation, hospitality, and food arrangements were provided throughout the programme. The knowledge gained will be utilized for enhancing teaching-learning practices and for training fellow faculty members and students.

Detailed Report

I am pleased to submit this report regarding my successful participation in the **Training Programme on Artificial Intelligence** organized by the A.P. State Council of Higher Education Quality Assurance Cell (QAC-APSCHE) in collaboration with the University of Hyderabad.

The programme was conducted from **23.03.2026 to 27.03.2026 exclusively for Faculty of Computer Sciences** at the **Executive Education Cell, School of Management Studies, University of Hyderabad, Prof. C.R. Rao Road, Gachibowli, Hyderabad.**

I attended the programme as a nominated faculty participant, and the training was conducted successfully with active participation from faculty members representing various institutions across the State.

Objectives of the Programme

The primary objective of the programme was to strengthen the understanding and practical implementation of Artificial Intelligence in academic teaching-learning processes. The programme aimed to equip faculty members with theoretical knowledge, practical exposure, and emerging AI tools relevant to higher education and research.

Training Sessions and Learning Outcomes

The training programme included both **theoretical sessions and practical hands-on training** on Artificial Intelligence technologies and applications. Expert resource persons from reputed academic and technical backgrounds delivered sessions on various AI-related topics.

The programme covered:

- Fundamentals and concepts of Artificial Intelligence
- Machine Learning and Deep Learning basics
- AI tools for teaching and research
- Generative AI applications
- Prompt engineering techniques
- AI integration into classroom teaching

- Ethical considerations and responsible use of AI
- Practical demonstrations and laboratory sessions

The hands-on practical sessions were highly informative and enabled participants to gain direct experience in using AI tools and platforms effectively.

Accommodation and Hospitality

The organizers made excellent arrangements for the participants throughout the training period. Boarding, lodging, food, and hospitality facilities provided at the venue were very good and comfortable. The accommodation arrangements ensured a pleasant and productive learning environment for all participants.

Overall Experience

The programme was highly beneficial and enriched my understanding of Artificial Intelligence and its applications in education. The interaction with experts and fellow participants provided valuable academic exposure and professional development opportunities.

The knowledge and skills acquired during the programme will be effectively utilized in teaching-learning practices within the institution. As advised during the programme, efforts will also be made to disseminate the learned concepts and practical applications of AI to fellow faculty members and students.

Conclusion

I express my sincere gratitude to the A.P. State Council of Higher Education, QAC-APSCHE, and the University of Hyderabad for organizing this valuable Training Programme on Artificial Intelligence. I also thank the management and principal of my institution for providing the opportunity to participate in this prestigious programme.

The training programme was successfully completed, and the participation certificate was received upon completion of the programme.

PROF. B. TIRUPATI RAO
SECRETARY

Lr.No.APSCHE/QAC/AI-TP-III/UoH/FP/2026

Dt: 11.03.2026

To
The Faculty Participant,
Training Programme on Artificial Intelligence

Sir,

Sub: Acceptance for Participation in the Training Programme on Artificial Intelligence scheduled from **23.03.2026** to **27.03.2026** at the Executive Education Cell, School of Management Studies, University of Hyderabad – Reg.

-o0o-

Your nomination to participate in the Training Programme on Artificial Intelligence, scheduled from **23.03.2026** to **27.03.2026** exclusively for the faculty of Computer Sciences, at the Executive Education Cell, School of Management Studies, University of Hyderabad, Prof. C.R. Rao Road, Gachibowli – 500046, has been duly accepted.

In this connection, you are requested to report to the venue by **08:30 AM** on **23.03.2026** for registration and the inaugural session. It may kindly be noted that boarding, lodging, and hospitality will be provided to all participants during the training period. Accommodation will be available from Sunday evening onwards. Travel Allowance (T.A.) will be reimbursed upon submission of actual journey tickets, as per applicable norms. For assistance related to accommodation, the Programme Coordinator, **Mr. Nandraj**, may be contacted at **7097778308**. For any general queries, **Ms. Anusha** may be contacted at **9347577281**.

The Principal of the concerned institution is requested to kindly relieve the nominated faculty member on **21.03.2026** AN to attend the programme and to treat the period of participation as "On Duty", in view of its academic and professional development significance.

It is expected that your active participation in the training programme will significantly contribute to strengthening academic practices and fostering the effective integration of Artificial Intelligence into the teaching learning processes within your institution. Further, as a Master Trainer in Artificial Intelligence, you are requested to disseminate the knowledge and skills acquired through this programme by training other faculty members and students, thereby serving as a Trainer of Trainers (ToT) and contributing to capacity building across the State.

Yours faithfully,

SECRETARY

List of Faculty for Training Programme on Artificial Intelligence is enclosed
