## CIRCULAR

Kurnool  
19-11-2022

The Department of Computer science has decided to conduct “ZEST 2022-23” program on the eve of “World Computer Literacy Day” i.e. 2<sup>nd</sup> December 2022 for all the Inter-Collegiate students. To provide awareness on computer necessity and its importance we want to conduct various competitions.

(S Latha Rani)  
HOD,  
Computer Science Department

## GIST

2nd Dec, World’s Computer Literacy Day was launched by Indian Company NIIT to mark its 20th anniversary in 2001, in response to research which suggested that the majority of Computer users around the world were Men. So, this day intends to encourage the development of technological skills particularly among children and women in India.

St. Joseph’s Degree College, Computer Science Department Organized “ZEST 2022” on World’s Computer Literacy Day to inculcate the technological skills in students as we all know that in this era the literacy of Computers has become a basic need for everyone.

ZEST is the right word chosen to show our passion and enthusiasm to encourage all student in developing their technological skills on this auspicious occasion of “worlds computer literacy day”.

This day reminds us to contribute our quota towards making computers accessible and easy to understand for those who are very creative in innovation thoughts.

The Various competitions held at ZEST 2022 are

1. MEMEs creation
2. Bugs In C programming
3. Quiz
4. PPTs

## OBJECTIVES:

- The basic computer knowledge and its accessibility
- To evaluate the knowledge in C programming which is basic programming language
- To check their learning key skills according to Job market.
- Spontaneity to present their knowledge using Computers

## OUTCOME:

- Able to understand the basic computer knowledge.
- Usage of technology in an innovative way.
- Flexible usage of computer in presenting knowledge.
- Analyze the standard in computer technology.

St.Joseph's Degree College,Kurnool.

Respected Madam,

I just wanted to express my happiness and thanks for inviting me as a judge for the competition event "Bugs in C programming" conducted at ZEST-2022 on world computer literacy day-2<sup>nd</sup> Dec 2022. The event went on very smoothly and well-organized matter, that shows your matriculas planning and the team work of the department. Student's volunteers were more responsible in conducting the event in a very decent manner and the participants were very enthusiastically involved in the competition really made me feel that this competition is enhancing the technical skills (C programming) which will help them to face campus drives.

ZEST-2022 encouraged and motivated students to participate in various technical activities and provided a platform for the students to share, enrich and involve in the new technologies and me a part of this event makes me feel proud. I look forwards to get involved in such activities.

With regards

S.   
S Abdul Yunus Basha.

### WHOMSOEVER IT MAY CONCERN

I am very pleased and honoured to join you to celebrate the event "Zest-2022" on the occasion of "World Computer Literacy Day" on 02.12.2022. I really enjoyed the event and was amazed at the amount and quality of work the participants had put in their approach. Everyone who took part has much to be proud of. Choosing one overall winner was tough as every group excelled in different areas and ways.

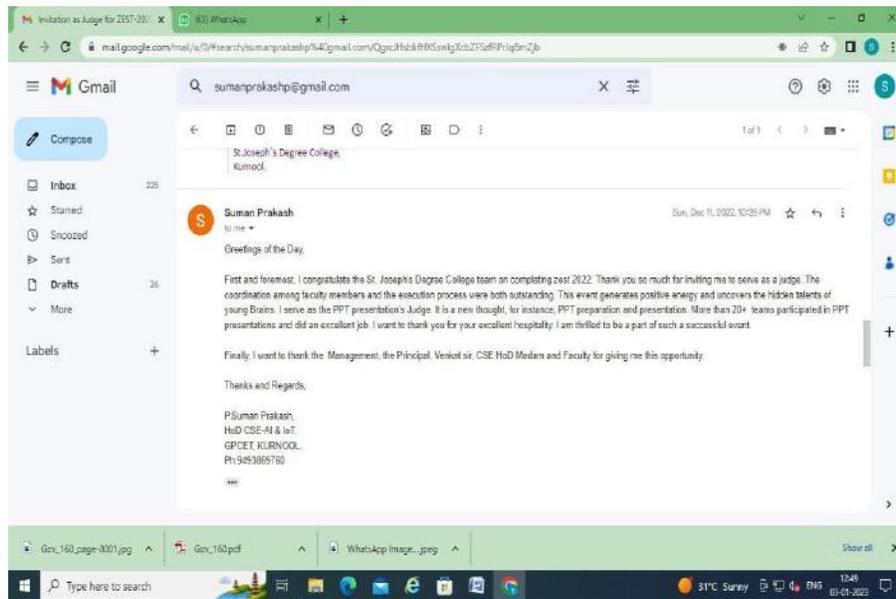

I would like to congratulate all the students who took part and wish them all the best for their upcoming events and their future.

Once again I thank Principal, Vice-Principal, HoD and Management for inviting me as a session judge on this occasion.

Dr. K. Govardhan Reddy

Professor in CSE

G. Pulla Reddy Engineering College(Autonomous), Kurnool
