“To Protect Environment”**

LETTER TO IQAC

To,
The IQAC Coordinator,
St. Joseph's Degree College.

DATE : 20/06/2017

Respected Sir,

Sub: seeking permission to conduct Power point Presentation and elocution competetions on the topic "to protect evironment" -regarding.

We, the Eco club intends to conduct Power Point Presentation and Elocution competetions on the topic "To protect environment" on 22nd and 23rd June 2017. We want to create awareness about the vital role of environment protection to people.

Therefore, we request you to permit us to conduct this programme on 22.06.2017 and 23.06.2017.

Thanking you,

Yours faithfully,
Eco Club

CIRCULAR TO THE STUDENTS

Date 21-6-2017

The Eco club of the college is conducting the PPT presentation on 22.06.2017 and elocution competition on 23.06.2017. The topic is “to protect environment” at our college connection with the World environment day. This is to inform that students of eco club are requested to participate in this program at 8:30 A.M

OBJECTIVES :

- 1. To protect and improve the environment and related matter.**
- 2. To protect the environment from degradation and take actions to improve the current conditions.**

OUTCOMES :

- 1. Students will understand that they can personally play an important role in reducing pollution and increasing recycling rates for a healthier environment.**

GIST OF THE EVENT:

Powerpoint presentation on the topic “To Protect Environment”

In connection with the World Environment Day 2017, eco- club also conducted a power point presentation on 22/6/2017 on the topic “To Protect Environment”. Number of slides allowed for PPT were upto 15.

The time allotted was 10 minutes. The competition was held in seminar hall, Building II. Final year students of eco – club organised the events.

Power point presentations can be used to show visual interpretations, creating graphs and encourage student learning. Students showcased their skills by explaining about environmental related issues and listed out various techniques to protect environment with the help of beautiful slide preparation.

Soft copies of PPT were collected on 21st June, two days before the event. Students urged to save trees, Ozone, biodiversity and stressed on sustainable use of natural resources.

Students presented slides which explain how to repair plastic instead of replacing it. Slides explaining eco home technologies were shown.

Winners: In power point presentation

- G. Swapna – III BBC
- S. Huma Sadiya – I BBA
- Vaishnavi and Gayathri – III BMC
- Sumayya and Meenakshi – III MPC’S
- M. Shyam, Benjamin Raj, I BBA were suggested as winners by the judges.

**Elocution competition on the topic
“To protect environment”**

GIST OF THE EVENT :

CIRCULAR TO THE STUDENTS

Date 24-6-2017

The Eco club of the college is conducting the poster presentation competition on 25.06.2017. The topic is “Beat plastic pollution” at our college connection with the theme of World environment day. This is to inform that students of eco club are requested to participate in this program at 8:30 A.M

OBJECTIVES:

To reduce single use of plastic to an almost zero level. So that they should not be dumped under the ground with wastes.

OUTCOMES:

Students will gain a greater understanding of the different types of plastics and which can and cannot be recycled.

GIST OF THE EVENT:

Poster presentation of topic “Beat plastic pollution”

In connection with world environment day – 2017 eco- club conducted a poster presentation on 25/6/2017 based on 2017 – theme of world environment day “Beat plastic pollution”. This theme “Beat plastic pollution” is a call to reduce the heavy burden of plastic pollution.

The posters were displayed in Botany lab Building I, Students beautifully presented their posters with pictures, illustrations & description.

Students exhibited posters explaining the growing levels of plastic waste which was becoming unmanageable. Posters explained about the single use of plastic items were prepared. Students stressed to explore sustainable illustrations to plastic like Clothes, Paper since India is one of the victim of plastic pollution.

The students were enlightened about ill effects of plastic. Ms.Y. Showrillu Reddy Spoke on the importance of the day and urged the students to keep the college premises free of plastic.

Winners:
