QUIZ COMPETITION
ON ACCOUNT OF
WORLD'S ENVIRONMENT DAY

LETTER TO IQAC

DATE: 15/07/2019

To,
The IQAC Coordinator,
St. Joseph's Degree College.

Respected Sir,

Sub: Seeking permission to conduct quiz competition and elocution competition on account of World's Environment Day -regarding.

We, the Eco club intends to conduct quiz competition and elocution competition on the account of world environment day. We want to create awareness about the importance of environment among the students.

Therefore, we request you to permit us to conduct these programs on 18/07/2019 and on 19/07/2019.

Thanking you

Yours faithfully,
Eco Club

CIRCULAR TO THE STUDENTS

Date: 16/07/2019

The Eco club of the college is conducting the quiz competition on 18/07/2019 and elocution competition on 19//07/2019 in connection with the World's Environment Day on the topic "Air Pollution". This is to inform that all the interested students are requested to participate in these programs.

GIST OF THE EVENT:

World Environment Day is celebrated on 5th June every year to spread awareness to encourage people to talk and to protect the environment.

The 2019 world environment day has theme “Air Pollution”.

We can't stop breathing but we can do something about the quality of the air that we breathe.

7 million people die every year prematurely from air pollution and 4 million of hen death occur in Asia Pacific.

World Environment Day 2019 urges Govts, industries, commonly& individuals to come together to explore renewable energy and green technology improve the air quality in cities.

Eco-club conducted quiz competition for college students on 18/7/2019 in afternoon on the topic Environmental awareness. Questions related to global warming, ozone deflator, pollutants in water, air, forest protection, green conservation acts related to environment were asked to spread awareness about the issues of environment.

OBJECTIVES:

- To make students familiar with the prospects of quizzes and the objectivity of the questions.
- To motivate the students to participate in environment related competitions so that they can adopt an environmentally conscious life style.

OUTCOMES:

- By conducting programs like quiz competitions, we promote for conservation of the environment, the future generations will be able to lead a healthier life.
- Quiz competition on World Environment Day helps the students in identifying with what they know about environment and what they don't.

ELOCUTION COMPETITION

ON

“BEAT AIR POLLUTION”

GIST OF THE EVENT:

An Elocution competition was conducted by Eco-Club on 19/7/19 based on 2019 environmental day theme “Air Pollution “

The topic for elocution was “Beat air pollution “. 13 students from commerce and life science participated in this.

The judge of the competition was Mrs. Raisa Tehseen from English department.

The students spoke about the lot issues related to air pollution like ozone depletion, global warming, greenhouse effect, deforestation, CFC’s automobile exhaust.

They stressed on how to beat air pollution by reducing use of AC, planting air purifying ornamental plants in backyards using solar energy for vehicles, cooking, farming etc.

OBJECTIVES:

- To raise awareness about degrading environmental conditions and to encourage students to take positive environmental actions.
- To create platform for students where they can express their feelings, views on environment related issues.

OUTCOMES:

- By conducting elocution competition, students are able to communicate and express their views to audience.
- Students are able to understand the ways which can reduce the plastics to control pollution.

The winners of the competition were:

1. P. Ditesh 1st BZC
2. A. Manoj 3rd BBA
3. J. Chandra Harshita 3rdMSCS

**RALLY ON IMPORTANCE OF USING
ECO-FRIENDLY CLAY GANESHA**

LETTER TO IQAC

Kurnool

Date: 26.08.2019

To,
The IQAC Coordinator,
St. Joseph's Degree College.

Respected Madam,

Sub: Rally to create awareness among the students about eco-friendly Ganesha idols and to distribute idols to the staff and students' permission-regarding.

We, the eco club intends to create awareness among the people about eco-friendly Ganesha, we want to promote environmentally friendly nature and thus avoiding pollution which is caused by the use of plaster of paris and artificial colors used in making idols.

Therefore, we request you to permit us to organize a rally and also distribute clay idols by the students of eco club on 29.08.2019.

Thanking you,

Yours faithfully,
Vanitha Kumari,
Department of Botany.

CIRCULAR TO THE STUDENTS

Date: 27/08/2019

The Eco club of the college is conducting the rally and clay Ganesh distribution program on 28/07/2019 in connection with Ganesh chaturthi festival. This is to inform that all the Eco club students are requested to participate in these program.

GIST OF THE EVENT:

On 29/8/2019 Eco-Club organized a rally to create awareness among people about eco-friendly Ganesh idols and to discourage the use of plaster of Paris and artificial color for idols

Students of Eco-club displayed many placards during the rally conveying the message of using clay idols and celebrating the festival in an eco-friendly way.

Slogans like *“Devotion is important than decoration”*, *“Ganesh goes green”*, *“Stop pollution no plaster of Paris”*, *“skip plastic and serve prasad in Banana leaves”*.

Listen to eco-friendly echoes this Ganesh Chaturthi etc. were raised in the rally.

As part of promotion of clay idols and preventing pollution clay idols were distributed for free in neighboring areas of college campus.

OBJECTIVES:

- To create awareness regarding the chemical hazards it causes in the environment.
- The idea behind the rally is to create awareness in and around the college to use Ganesh idols without any chemicals.

OUTCOMES:

- Created awareness regarding the chemical hazards and pollution by using pop Ganesh idols.

DISTRIBUTION
OF
GANESH CLAY IDOLS

GIST OF THE EVENT:

On 31/8/19 Eco-Club conducted a program before Ganesh Chaturthi which was on 2/9/19 to distribute clay idols of Ganesh as a promotional activity to stop environmental pollution especially water & noise pollution due to use of hazardous plaster of Paris in idol making.

As part of promotional event an assembly talk was also organized by Eco-Club to sensitize students about the importance of using clay idols to save water bodies. This was followed by free distribution of idols to staff and students.

Posters was displayed in the campus about the medicinal importance of 21 leaves used in puja. Posters were displayed in campus before festival at the venue of idol distribution to spread awareness of using completely biodegradable eco-friendly Ganesh idols.

OBJECTIVES:

- To protect environment and humans from harmful effects of chemicals used in making Ganesh idols.

OUTCOMES:

- Students came to know about how to use Ganesh only made of clay.
- Not to immerse idols in wells, lakes or rivers as it affects the underground drinking water.

PLANTATION PROGRAM
ON
WORLD WETLANDS DAY
By Eco club students

LETTER TO IQAC

Kurnool,

Date: 28.01.2020

To,
The IQAC Coordinator,
St. Joseph's Degree College. Respected Sir,

Sub: seeking permission to conduct plantation program on World Wetlands Day -regarding.

We, the Eco club intends to conduct plantation program in connection with World wetlands day on 2nd February 2020. We want to create awareness about the vital role of wetlands for people and planet.

Therefore, we request you to permit us to conduct this plantation program on 02.02.2020.

Thanking you,

Yours faithfully,
Eco Club

CIRCULAR TO THE STUDENTS

Date 29-1-2020

The Eco club of the college is conducting the plantation program in SJDC campus in connection with the World Wetlands Day-2020 Feb 2.

This is to inform that students of eco club are requested to participate in the program at 8:30 A.M.

GIST OF THE EVENT

Planting a tree is much better than wearing a mask to be safe from pollution. To promote the concept of going green, Eco club members decided to unionize a plantation program on the occasion of world wetland day in the vicinity of college campus.

III-year Eco club students along with Eco club staff took the lead in organizing the program. The main purpose of tree plantation is to save the endangered environment and to restore the ecological balance.

Trees like Ficus, Delonix regia, Neem, Prosopis, Phyllanthus. Etc. were planted in college campus ground for aesthetic improvement of our college.

OBJECTIVES:

- The main object of plantation drive in college is to make campus pollution free
- To create awareness among the students regarding the importance of ecology and endangered environment.

OUTCOMES:

- Students are particularly benefited in college as they get limited sun exposure. plantation promotes sun safety in institutions as trees allow the area to cool down, so that students can enjoy fresh air without sweltering heat during summer.
- Not only planting trees creates a natural teaching environment but they can also be used as fantastic, free learning resource for taking life classes on Biodiversity, Taxonomy, Anatomy etc.
- Tree plantation encourages psychological boost for students as tree create an environment to benefit students physically and mentally reducing their exam stress, boosting immune system and promote overall wellbeing of students allowing them to enjoy college life.

ECO QUIZ
ON
WORLD ENVIRONMENT DAY 2K20

BROCHURE

Invitation to Online Eco-Quiz

"World Environment Day 2k20- Celebrate Biodiversity"

St. Joseph's Degree College, Sunkesula Road, Kumool-518004.

National Level Online Quiz regarding
"World Environment Day-2k20"
Organized by Eco-club Team
St. Joseph's Degree College,
Sunkesula Road, Kumool.

Quiz Starts on 5th June 2020
and Ends on 8th June 2020

Objectives & Outcomes:

- * To encourage students to celebrate World Environment Day 2k20 digitally during this lockdown.
- * To promote alertness regarding species extinction and degradation of natural habitats.
- * As technology has brought innovation in quiz culture students get opportunity to excel beyond academics

Registration fee: FREE

To participate in this quiz, click
on the link below:

<https://forms.gle/9FywF8VJmZd8QwRc6>

Limitations:

- * e-certificate will be issued to the participant scoring 40% & above.
- * Please enter your details carefully while registration. Same will be reflected in the certificate.
- * Participants can attend only once.
- * Only 100 certificates will be generated per day, So be the first one to participate in this quiz.

GIST OF THE EVENT

Department of Botany organized Eco quiz based on World Environment Day 2k20. “Celebrate Biodiversity” is chosen as theme for World Environment Day2k20.

With 1 million species facing extinction there has never been a more important time to focus on biodiversity.

World Environment Day is celebrated worldwide every year on 5th June to encourage the awareness on preserving and protecting the environment.

OBJECTIVES:

- To encourage students to celebrate World Environment Day 2k20 digitally during this lockdown.
- To promote alertness regarding species extinction and degradation of natural habitats.

TARGET PARTICIPANTS:

The target for the eco quiz participants is 400 but the total responses and registrations are538.

DURATION:

Duration of the program is from June 5thto June 8th2k20.

E-CERTIFICATE:

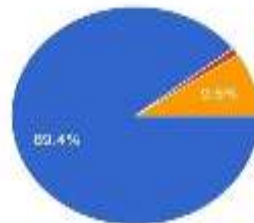

E-certificate has been issued to the participants who have scored above 40% in this quiz.

CERTIFICATE

1. How would you rate this online quiz?

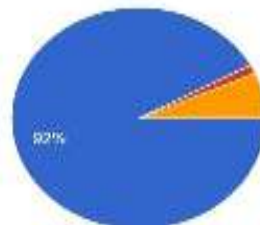

538 responses

● Satisfied
● Dissatisfied
● Neutral

2. Did this quiz programme enhanced your knowledge ?

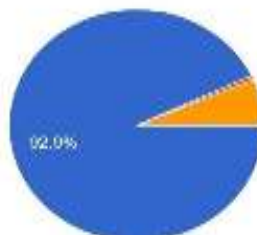

538 responses

● Yes
● No
● Maybe

Do you think that biodiversity has a direct relationship to your health and your daily life?

8 responses

● Yes
● No
● Maybe

**ECO CLUB
GREEN DIWALI COMPETITION**

LETTER TO IQAC

Kurnool

7/11/2020

From

K. Vanitha Kumari Lecturer in Botany,
St. Joseph's Degree College, Kurnool.

To

IQAC Co-ordinator,
St. Joseph's Degree College, Kurnool.

Respected Sir,

Sub: Seeking permission to conduct online green Diwali competition

We the Eco-club team are willing to conduct an online eco-friendly Diwali competition as a lockdown activity for the students of SJDC from 09-11-2020. So please permit us to conduct online Diwali competition.

Yours faithfully

Eco club

ST. JOSEPH'S DEGREE COLLEGE
SUNKESALA ROAD, KURNOOL.

ECO CLUB ORGANIZES "GREEN DIWALI COMPETITIONS"

Diwali usually means families and friends coming together to celebrate.

Even though the celebrations are minimal this year due to COVID-19, SJDC ECO CLUB is organizing 'GREEN DIWALI COMPETITIONS-Online, only for SJDC Students.

1. Making Eco Friendly Diya-
Upload the video of making an Eco-Friendly Diya not exceeding 10 Mins
by 16/11/2020.

2. Two Minutes Talk
TOPIC: Eco Friendly Diwali
DATE: 12/11/2020
TIME: 2.00 PM
Platform: ZOOM

No Registration Fee

- Registration Link: <https://forms.gle/rKVcwNzGEizU1Yxx9>

Objectives:

1. To create awareness among the students the importance of Eco Friendly Diwali.
2. To give awareness about the pollutions caused due to crackers

Outcomes:

1. Students will come to know the various Eco-Friendly ways of celebrating DIWALI, which is imperative during this Pandemic Situation.
2. Making Eco-Friendly Diyas will explore the students imagination and creativity.

Organized by
ECO-CLUB

ECO CLUB GREEN DIWALI COMPETITION

Diwali is the festival of lights that brings good luck and prosperity to all. But we are moving away from the real spirit of the Fiesta of lights. This festival is steadily becoming one of the major problems for the environment. It is high time that we should recognize the problem and should build a roadway by which we can make a healthy and balanced environment.

After successful initiatives such as water free Holi and eco-friendly Ganesh Chaturthi majority is going for green Diwali. This green Diwali is a way to celebrate the festival with minimal consequences to the environment. Because of COVID-19 virus in 2020, this Diwali is more about survival. It is about being grateful that we are still able to breathe and be alive for this day. So eco club of St Joseph's degree college Kurnool has conducted Green Diwali competitions in online mode this year to invoke students to celebrate eco-friendly Diwali from 12.11.2020 to 16.11. 2020. As using of crackers this Diwali may help to spread the virus by generating aerosols in environment and the smoke from crackers will take a toll on the lungs causing harm to even recovered COVID-19 patients, Celebrating Diwali in an eco-friendly way is the need of the hour.

So eco club planned for a safer green Diwali competition in online mode during the pandemic and students enthusiastically participated and showcased their creativity in Diya making. This competition was held under two categories of events

- 1) Making Eco friendly DIYAS
- 2) Two minutes talk on importance of eco-friendly festival both in online mode to explore the student's imagination and creativity.

Every student who participated received an E-Certificate.

DIYA MAKING PRIZE WINNERS:

- 1) M. Vaishnavi IIMPCS-B GIRLS
- 2) B. Supriya IIIBBC – G

TWO MINUTES TALK COMPETITION:

1. S. Gayathri III B. Com – A
2. M. Krishna Sree III MPC

OUTCOMES:

- Green Diwali competitions developed a sense of responsibility in students towards saving environment.
- Students celebrated Diwali in an innovative way during this pandemic by making eco-friendly Diya and participating in online elocution competition.
- Diya making explored their artistic abilities.
