**PLANTATION PROGRAM
ON
WORLD WETLANDS DAY**

By Eco club member

LETTER TO IQAC

Kurnool,

Date: 06.02.2023

To,
The IQAC Coordinator,
St. Joseph's Degree College.
Respected Sir,

Sub: Seeking permission to conduct plantation program on World Wetlands Day by our college students-regarding.

We, the Eco club intends to conduct plantation program in connection with World wetlands day on 2nd February 2023 to create awareness about the vital role of wetlands for people and planet.

Therefore, we request you to permit us to conduct this plantation program on 07.02.2023.

Thanking you,

Yours faithfully,
Eco Club

CIRCULAR TO THE STUDENTS

Date 06-2-2023

The Eco club of the college is conducting a plantation program by our eco club students in G. Singavarum village in connection with the World Wetlands Day-2023 Feb 2.

This is to inform that all the eco club students are requested to gather near Botany lab on 07-02-2023 at 8:00 am to participate in the program.

GIST

World Wetlands Day is an environmentally related celebration to raise global awareness about the vital role of wetlands for people and our planet. It is observed every year on February- 2 to mark the date of the adoption of the convention on wetlands on 2nd February 1971 in the Iranian city of Ramsar.

All countries in the world are trying to their best to protect their wetlands because marshes and swamps may not be homes to people but are the homes to a lot of different animals. Any region that is temporarily or permanently flooded with water is a wetland on a low area where the land is saturated with water is a wetland.

Countries organize a variety of events to raise awareness such as lectures, nature walks, contests on wetlands. community clean-ups, plantations, seminars etc.

The Theme for celebrating wetlands day in 2023 is ‘‘It’s Time for Wetlands Restoration’’.

So Eco-club of St. Joseph’s Degree College on 7 Feb 2023. Organized a Tree plantation program. In connection with world wet lands day in Z.P.H. SCHOOL, G.Singavaram Kurnool. To spread awareness about the various ways the wetlands benefit us. Students of Eco-club participated in Tree –plantation with lot of enthusiasm as it is one of the best activities for making planet greenness, livelier and healthier and also it expands the biodiversity of a specific region.

A total of 30 small trees were planted in premises of Z.P.H. SCHOOL, G.Singavaram .

OBJECTIVES:

1. To create awareness among the students regarding the

importance of ecology and natural environment.

- To upgrade and promote protection, resolution and monitoring of environment in the school campus by planting saplings.

St. Joseph's Degree College, Sunkesula Road, Kurnool-4

Programme: Plantation Programme - World Wetlands Day - 2 Feb 2023 Date: 7/2/2023
