A Quiz competition exclusively on PHONETICS was conducted by the Department of English on 20th November 2023 for all the U.G students. The registration link was shared among the students through their respective Whatsapp groups. Interested students have registered their names and participated in the Quiz competition. The goal of the quiz competition is always interesting and informative, which keeps the students interested. The primary goal of this event is to test the articulatory skills among the students. The event was exclusively conducted by the students. The students of three different wings actively took part in the event i.e., commerce & Management, life science and Mathematics. The quiz was divided into three rounds. The first round was on the basic Phonetics, the second round was Talentine round and the third round was Guessing Guns. The questions put forth to the teams were intriguing and exciting in the third round. The students expressed their response that the final round i.e on phonetic transcriptions were very informative and knowledge enriching competition for the students. The quiz competition resulted in students who were very responsive, well prepared, enthusiastic and followed the rules. The names of the winner's group were announced at the end of the event.
