

Blood Screening Camp

The Department of Biochemistry organised a blood grouping camp for hostel girls at our college on January 5, 2023. The camp was conducted under the guidance of C.S. Sreenivasa Rao, Head, Department of Biochemistry, and H.N. Prasanna, Head, Department of Microbiology, St. Joseph's Degree College, Kurnool. All the 3rd-year biochemistry students were involved in the blood grouping activity.
