Objectives of Program

- To share knowledge and build strong relationships between the students and alumni.
- **To help former students find job opportunities and improve their chances of landing a job offers opportunities for expanding a graduate's professional network.**
- To help students of the college recognize the contribution of their ex-students in the professional world.

About Program

Alumnus can help students by giving such valuable information through sharing his success stories. He explained to the present students on scholarships, mentoring, and career resources with exclusive PPT as well.

The **interaction** was designed to guide and motivate the students to take up the correct careers with full seriousness and in the right spirit.

Mainly, this program helps to grow the brand and reputation of the college
