

AIDS awareness programme on WORLD AIDS DAY

# **DEPARTMENT OF ZOOLOGY**

## **LETTER TO IQAC**

15-11-2022

To

The IQAC Coordinator,  
St. Joseph's Degree College,  
Kurnool.

Dear Sir,

This is to bring to your kind notice that the Department of Biochemistry is planning to organize an AIDS awareness programme at Gondiparla village on World AIDS DAY i.e., 1<sup>st</sup> December 2022. I hope and trust that with this programme we can educate village people and students on AIDS.

Please accept this proposal and permit me to organize this event.

Thanking you.

Dr. C.S. SREENIVASA RAO

Head,

Department of Zoology & Biochemistry

SJDC, KURNOOL.

**REQUEST LETTER**

KURNOOL,

DT:23-11-2022

To  
Principal,  
ZPHS,  
Gondiparla  
Kurnool.

Sir,

Sub: seeking permission to conduct an awareness camp at the school.

Along with providing quality education, St. Joseph's Degree college ensures to keep up with social responsibilities, thus on the juncture of WORLD AIDS DAY, we are keen to conduct an awareness camp on AIDS DAY and enable the students in the school to have an ideal perception of AIDS. We kindly request to allow our team of students to organize this camp. A total of 30 students and 4 lecturers shall visit the school. Please accord permission. Your cooperation will be much helpful.

Thanking you.

Dr. K. Shantha

Principal,  
St. Joseph's Degree College,  
Kurnool.

## **CIRCULAR**

Dear students,

This is to inform you that The Department of Zoology is going to organise an AIDS awareness Camp on 1<sup>st</sup> December 2022 in connection with WORLD AIDS DAY at Z.P.High School, Gondiparla village. All the enthusiastic students can take part in this camp. Students must come in neatly attired uniform with I.D. card.

Head

Dept. of zoology,

St. Joseph's Degree College.

## **Synopsis:**

The Department of Zoology organised an AIDS awareness Camp on 1<sup>st</sup> December 2022 in connection with WORLD AIDS DAY at Z.P. High School, Gondiparla village. Our students explained the History, structure of HIV, ways of transmission, prevention and treatment options of AIDS disease to 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> class students of Z.P. High School, Gondiparla.

## **Outcomes:**

After completion of AIDS awareness camp students were able to

- Understand the structure of HIV
- Know the methods of HIV transmission
- Know the methods of prevention of HIV spreading and treatment options
