### CIRCULAR

Dear students,

This is to inform you that a field trip has been organised on 30<sup>th</sup> November 2021, to the Govt. Veterinary Hospital, Kurnool. This field trip shall be very helpful for you to understand animal health care and its significance, thus all opportunities to gain knowledge through practical learning. Students must come in neatly attired uniform with I.D. card.

Head  
Dept. of zoology,  
St. Joseph's Degree College.

As part of the III-year Zoology Practical syllabus, we took III-year zoology students to Government Veterinary Hospital, Kurnool on 30<sup>th</sup> November 2021.

Dr. Sunil Kumar and other faculty of Veterinary hospital explained the process and methods of artificial insemination in cows, equipment used, and semen storage methods.

Students had an opportunity to visit the hospital and study the methods of Artificial insemination and to interact with the doctors and clarify their doubts. This visit was very useful and informative for students.

### **Outcomes:**

Students were able to:

- learn different techniques used for Dehorning process.
- Understand various methods of artificial insemination
- Understand the methods of semen storage
- Know about the different animal diseases and their treatment methods
- Know the process of sanitation and vaccination
