

POSTER PRESENTATION

An event Poster Presentation was conducted by the Youth Red Cross Cell on 4th November 2023, to the students of St. Joseph's Degree College on the occasion of Diwali. It is an effort made by YRC to create awareness among the students about the adverse effect of the pollution created by the crackers and to insist them about the importance of Eco Friendly Diwali. And it is known to everyone that harmful gasses emitted by the crackers cause not only environmental pollution but also health problems especially respiratory problems. The students enthusiastically came forward with their charts representing the theme

EcoFriendly Diwali : Save Nature - Save Future
